RE: Stoly Associates Property/Summit County

Dear Brianna:

This letter confirms our telephone discussion of July 19, 2007. As per our discussion, I have enclosed a copy of a letter I received from Jim Christensen of the EPA dated May 28, 2003. I have also enclosed a copy of the Sage Environmental Report that we received in April of 2003.

I received your e-mail with the various attachments. Thanks for promptly sending those documents to me.

Yours truly,

Robert A. Burton
